

# Code of Conduct

## As a responsible hunter, I will

- Not let pressure or the excitement of the hunt cloud my judgment.
- Learn and practice safe hunting techniques.
- Hunt wild game fairly.
- Know the capabilities and limitations of my gun or bow and use it safely.
- Obey and support all wildlife laws and report all violations.
- Positively identify my target as legal game and insist on a good shot.
- Respect the land and landowner and always obtain permission before hunting.
- Avoid knowingly interfering with another hunter and respect the right of others to lawfully share the outdoors.
- Value the hunting experience by appreciating the beauty of the game pursued, taking proper care of the meat, and properly transporting harvested game.
- Only display respectful photos of harvested game.
- Share my passion for responsible hunting with others in order to preserve our hunting heritage.
