- **NWTF Education and Outreach Events - COVID-19 Mitigation Plan**

Education & Outreach events must continue to adhere to all guidelines put forth by the city, county or state where the event is being held. This includes the guidelines in accordance to social gatherings, social distancing recommendations and mask mandates.

If there is a question or concern as to if an event can be held in order to comply with a city, county or state requirement, it should be submitted to your field staff representative. It will then be forwarded to Teresa Carroll, Outreach & Education Programs Coordinator for further evaluation.
